November 28, 1972

Honorable Richard M. Helms
Director
Central Intelligence Agency

Dear Mr. Helms:

The Downtown Chapter of the District of Columbia Jaycees takes great pleasure in announcing the 25th annual Arthur S. Flemming Awards Program to honor the Ten Outstanding Young Men in the Federal Government.

All agencies are invited to submit nominations for the two categories in the Program: scientific and administrative. These categories should be given a sufficiently broad interpretation, so that any qualified employee will be eligible. Specifically, administrative nominees should have demonstrated exceptional capabilities and performance in a field, such as, personnel, labor or law. Primary attention is given to the ability to formulate, organize, coordinate and direct the activities of others. A scientific nominee should have demonstrated exceptional capability and performance in his field, whether by carrying out research, applying technical skills, or by active administration and participation in projects under his supervision.

The nominations close on December 31, 1972. A panel of civic and scientific leaders will screen them to select the ten top nominees in each category. These twenty semi-finalists will then be presented to the Panel of Judges which will select the Ten Outstanding Young Men in the Federal Government for 1972.

The nomination forms have already been distributed to all agencies. A copy of the announcement brochure is enclosed for your information. We hope to receive many nominations from your Agency, and invite your interest and participation in this Program.

Sincerely,

Walter W. Draut

NOTE FOR THE RECORD

SUBJECT: Agency Newsletter

Although approved by the Management Committee, the Agency Newsletter proposal as submitted in DD/M&S 73-1766 dated 21 May 1973 should not be implemented. A subsequent proposal for a newsletter has already been adopted and the initial edition edited and sent to the field.

DD/M&S was briefed on the above and concurred that the attached proposal has) been overtaken by events.
